**Weather Forecast for St. Kitts & Nevis:**

**Weather today:** Partly sunny skies with a 40 percent or moderate chance of brief showers.

**Weather tonight:** Mostly fair and cool conditions with a 10 percent or slight chance of a light shower.

**Eastern Caribbean Forecast:** Across most of the eastern Caribbean, the presence of a weak surface trough will result in partly cloudy skies with a moderate chance of showers from the British Virgin Islands southwards to Trinidad and Tobago. These chances will gradually diminish overnight as the trough moves westwards away from the area, allowing for a dry and stable atmosphere to return over and around the islands.
