Weather Forecast for St. Kitts & Nevis:

Weather today: Partly sunny and hazy conditions today with a 50 percent or moderate chance of showers.

Weather tonight: Mostly fair and hazy conditions.

Eastern Caribbean Forecast: The presence of a weak tropical wave will result in a high chance of showers across the British Virgin Islands. Lingering moisture and instability from this wave along with light winds and daytime heating could lead to a moderate chance of showers across the Leewards. Elsewhere across the Eastern Caribbean skies will be fair to partly cloudy with a slight chance of brief showers as high pressure ridge dominates.
