

# Latin Festival

St. Kitts

---

August 31, 2020

After long deliberation and analysis, we regret to inform you that the 11<sup>th</sup> Latin Festival that should take place the last week of October 2020 has been cancelled. The committee of Latin Festival St Kitts has made this difficult decision because of the COVID-19 pandemic.

We know this is a great disappointment to our sponsors who were looking forward to this year's Festival.

This pandemic has directly affected the safety of the people and the worldwide economy, including our Federation.

Without your support we would not have been able to reach our goal year after year. Along with the Committee I would like to express great appreciation and gratitude.

Latin Festival St Kitts has always been grateful for the support we have received from our loyal sponsors though the years. We hope you will remain understanding as we navigate the unexpected shock waves caused by COVID-19 during this year. It is only with your help that we will be able to keep the Latin Festival St Kitts as one of the top Latin festivals within the Eastern Caribbean.

We will continue working towards a stronger version of our next Latin Festival in a safer environment. We will keep you informed.

If you have any questions please do not hesitate to contact me.

Sincerely,

Sincerely,

  
Jose A. Rosa  
Chairman of Latin Festival
